

## ALCOHOLIC BEVERAGE CONTROL INFORMATION

The City of Florence is classified as a wet territory within the Commonwealth of Kentucky. We offer a variety of alcoholic beverage licenses dependent upon the nature of business and establishment to be licensed. In order to obtain a license, a completed application must be received and approved by the City of Florence. All licenses are effective from December 1 through November 30 and must be renewed on an annual basis.

The City of Florence has agreed to accept the application(s) published by the Commonwealth of Kentucky's Department of Alcoholic Beverage Control. The legal advertisement required by the application **MUST** be published in the **Boone County Recorder (513-242-4000)**. The City of Florence Alcoholic Beverage License will not be issued until the local Occupational License has been secured and the State license(s) has been issued and a copy of same has been submitted to the City of Florence.

When any person applies for a license authorized to be issued by the City of Florence on or after June 1 of any year, he shall be charged an amount equal to one-half of the annual license fee, until the following December 1, except that no license shall be issued for a shorter period than six months. No abatement of license fees shall be permitted to any person who held a license of the same kind for the same premises in the preceding license period and who was actually doing business under the license during the last month of the preceding license period. All licenses must be renewed annually before November 30.

Before commencing or doing any business for the time for which a license has been issued, the license shall be posted and at all times displayed in a conspicuous place in the room or principal room where the business is carried on, so that all persons visiting the place may readily see the license.

Please see the listings below, which indicates the fee amounts and permitted hours of sale, for the license types issuable by the City of Florence.
