

LEAF COLLECTION SCHEDULE

CITY OF FLORENCE

2021

ANNUAL LEAF COLLECTION

It's that time of year again. The City of Florence Public Services Department is gearing up for **2021 Leaf Collection Program**. Last year the City picked up over 39,936 cubic feet of leaves. All of the leaves were used as compost or fertilizer. This year's Program runs from October 25 thru December 28.

GUIDELINES FOR COLLECTION:

1. Rake leaves in a row behind the curb. *Do not rake in the Street.* **Leaves must be raked to the curb by 7:00 a.m. the morning of the scheduled pick up is listed in this booklet.**
 2. We pick up on residential streets only. No state routes or commercial streets.
 3. Keep all debris and trash out of the leaf row. This includes tree branches, tomato plants and landscape debris. Certain items can cause damage to the equipment delaying pick up times.
- ♦ All leaves will be composted! To receive one or more loads call (859)-647-5416.
 - ♦ Homeowners may still bag leaves for pickup by Rumpke.
 - ♦ A sign will be placed at subdivision / street entrances the day prior to leaf collection.
 - ♦ The schedule is based upon weather and equipment operation.
 - ♦ The following daily schedule has been created for your convenience. This schedule may vary due to unexpected weather conditions or equipment failure.
- ** Thanksgiving is Nov. 25th, leaves will be picked up on Nov. 26th.**

CITY OF FLORENCE

Tree Tips

- ◆ Topping your trees (also called heading or stubbing) is hard on your trees. Topping can cause the growth of weak upright branches, insect attacks and terminal death.
- ◆ The best time to plant a tree is during the fall after leaf drop or in spring before bud break.
- ◆ Three basic pruning principles:
 - * Remove dead wood, diseased and dying branches.
 - * Eliminate weak forks and crossing branches.
 - * Do not over prune.
- ◆ Excessive pruning leads to weakened roots.
- ◆ Mulch is to be placed two to four inches around the base of the tree to help conserve soil moisture and protect freshly planted tree roots. However, do not place mulch directly against the trunk, cup the mulch out.
- ◆ When it's hot out, do not forget to water your trees, they get thirsty too.!
- ◆ Do not put fertilizer on for the first year of your tree's life.
