Municipal Code	Description
NS 305.1 (O-11-03)	All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage. Such accumulation is hereby declared a nuisance.
CO 114.02 (O-16-74)	It shall be the responsibility of every person, firm, or corporation in the city owning shopping carts or grocery carts to keep them or see that they are kept within the confines of the owner's business premises.
ZG 3002 (O-24-22) Minor Site Plan Required	Minor site plan is required for work that involves no exterior utility construction (storm sewer, water, sanitary sewer, etc.), either no grading work or a minimal amount of grading work, no more than 12 parking spaces, no more than a 15% increase of the existing building square footage, no additional access points or curb cuts, loading areas that are less than 10,000 square feet, and does not involve the construction of a new building upon demolition of an existing building.
PM 302.3 (O-11-03)	All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
PM 302.4.2 (O-11-03)	All landscape areas and landscape plantings shall be maintained in good condition, free of weeds and other unsightly vegetation. All landscaping including shrubs, brush, hedges, or other vegetation shall be maintained and trimmed when necessary to prevent overgrowth.
ZG 3610 (O-24-22)	Property owners are responsible for maintenance of all required landscaping materials, and shall keep all plants in a proper, neat and orderly appearance, free from refuse and debris at all times. All unhealthy or dead plant material shall be replaced by the next planting season.
PM 302.7 (O-11-03)	All accessory structures, including detached garages, fences and walls shall be maintained structurally sound and in good repair.
ZG 3154 (O-24-22)	Outside storage, display, and loading areas are permitted only when listed as a permitted use in the applicable zoning district, provided such activities are an integral function of the principal use, are located in the side or rear yard only, and not be located within areas that are required to be landscaped. Such areas shall be screened and enclosed with a wall structure constructed of decorative masonry, EFIS, stucco, or other material which is the same or compatible with the texture and color of the materials of the principal building, excluding metal siding, wood fencing, or any type of link or wire fencing regardless of whether or not slats are used. The solid wall enclosure structure shall adjoin, and be attached to, the principal building on the site.
